[redacted] Comment. KVPD Leipzig I is an infantry unit which was activated in April and May 1953 and is subordinate to TV 6000 in Leipzig. The organization stated it valid for all branches typical of a mixed KVP cadre unit, the infantry component, however, forming the largest element.

[redacted] Comment. Deserters stated that Colonel Welz (fnu) who had been commanding officer of KVPD Leipzig I had met with a motor vehicle accident in May 1953. Colonel Hasse (fnu), his successor, probably was commanding officer at the tactics officers school in Dessau-Kochstedt prior to the summer of 1953.
